

# The Lehi City Ledger

December 2008

## MAYOR'S CORNER

This is such a wonderful time of year. Everyone is enjoying the exciting holiday spirit and spending time with family and loved ones. I especially appreciate all the many acts of service preformed this time of year by our residents. We are so blessed to live in a community where neighbors are serving and helping each other. It's what makes Lehi so great!

Along with this joyous holiday season, also comes the blistering winter storms and cold weather. Some winter storms come with little warning and can hit hard and fierce, such as we experienced last February. In light of last year's emergency snow storm, I would like to point out a few car survival necessities when traveling during these winter months. (for more tips, go to [www.bereadyutah.gov](http://www.bereadyutah.gov))

- maintain a minimum of ½ tank of gas
- tools needed to change a flat tire
- jumper cables
- road emergency flares
- blankets
- food/power bars and water (rotate water every six months)
- collapsible shovel
- boots/goulashes
- coats
- flashlights with extra batteries- light sticks
- First aid kit
- fire extinguisher
- personal sanitation items (tissues, towelleles)
- ice scraper

My hope is that Lehi City can be better prepared when facing this year's winter.

Also, our City crews work very hard to ensure that the roads are cleared of snow as quickly as possible. During a heavy snow storm, it's impossible to get every street cleared at the same time, but the city wants to respond quickly to citizen needs, so to be more efficient, the Streets and Public Works Departments have outlined a map detailing priority roads and the order in which each road will be plowed. I'm asking that citizens be patient and understanding when waiting for the streets to be cleared, and know that the Street Department is working as quickly as possible. Please visit the website to view the snow plow plan at [www.lehi-ut.gov](http://www.lehi-ut.gov), or you can pick up a map at Lehi City Hall, 153 N. 100 E., or at the Public Works Department, 560 West, Glen Carter Drive. If you have any questions or concerns, please feel free to contact me.

I want to wish everyone a very safe and wonderful Christmas season and a great new year to come!

Mayor Howard H. Johnson

The drive through utility payment window at City Hall will not be available until approximately January 2, 2009 due to construction. Also, the Main entrance to City Hall will be closed. Please use the access door on the East side of the building for all inquiries. We apologize for the inconvenience.

Please stop in and shop!
